

## **G-S-C-A**

Sung to the tune of The Village People's "YMCA"  
lyrics by Mike Lutz

Young man, there's a place you can go  
I said young man, when you need a good show  
You can go there, and I'm sure you'll agree  
There's no bet-ter place to be

Buyer, are you listening to me?  
I said buyer, what do you want to see?  
You may think that, you're a queen or a king  
But you've got to know this one thing

It's fun to stay at the G-S-C-A  
It's fun to stay at the G-S-C-A  
They have everything, for the giant screen  
It's the place for you to be seen

It's fun to play at the G-S-C-A  
It's fun to play at the G-S-C-A  
You can get a free meal, you can board a free cruise  
You can fill up on lots of booze

They'll say, just what you want to hear  
I said they'll say, it all over a beer  
You may think that, you're much smarter than them  
But the fox watch-es the hen

Vendor, what do you want to sell?  
I said vendor, what's the story you tell?  
It's a big show, and there's much money at stake  
It's your chance to get a big break

It's fun to stay at the G-S-C-A  
It's fun to stay at the G-S-C-A  
They have ev-er-y-thing, for the giant screen  
It's the place for you to be seen

It's fun to play at the G-S-C-A  
It's fun to play at the G-S-C-A  
You can get a free meal, you can board a free cruise  
You can fill up on lots of booze

Vendor, now I'm telling the truth  
You can set up, the most beautiful booth  
At the trade show, where the buyer's all graze  
But you may get noth-ing but praise

Producer, what's your next big release?  
I said producer, will it bring in the fees?  
You can make it, in 2D or 3D  
It will play from Seoul to Philly

It's fun to sell at the G-S-C-A  
It's fun to sell at the G-S-C-A  
You have ev-er-y-thing for the giant screen  
It's the place for you to be seen

It's fun to show film at the G-S-C-A  
It's fun to show film at the G-S-C-A  
You will buy all the meals, you will pay for the cruise  
There just isn't much more to lose

But there's, no way for you to know  
What the, theatres will pick out to show  
It's a mystery, but it's been done before  
So you'll buy the drinks and just pour

Tammy, what could we possibly say?  
We say Gretchen, have we thanked you today?  
We say Kelly, where'd we be without you?  
We all know you are the best crew

It's fun to stay at the G-S-C-A  
It's fun to stay at the G-S-C-A  
They have everything, for the giant screen  
It's the place for you to be seen

It's fun to play at the G-S-C-A  
It's fun to play at the G-S-C-A  
You can get a free meal, you can board a free cruise  
You can fill up on lots of booze

(Horn Solo)

G-S-C-A  
It's fun to stay at the G-S-C-A  
Young Man Young Man, are you listenin' to me  
Young Man Young Man, it's the place to be seen  
G-S-C-A  
You made it fun at the G-S-C-A  
You can get a free meal, you can board a free cruise  
You can fill up on lots of booze  
G-S-C-A  
It's fun to play at the G-S-C-A  
You will buy all the meals, you will pay for the cruise  
There just isn't much more to lose  
G-S-C-A  
It's fun to play at the G-S-C-A  
They have ev-er-y-thing, for the giant screen  
It's the place for you to be seen
